

Performance at the end of March 2018

"Staff were very patient and supportive of the children's learning"

Since July 2017 we have welcomed **3,313** children and young people, **645** accompanying adults and **533** stakeholders

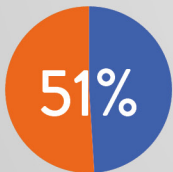

"Absolutely fantastic"

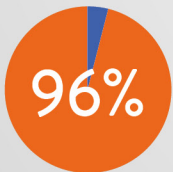

"Sessions were pitched at just the right level to challenge and inform our children"

"Our students had a great experience. They behaved better than I have ever seen!"

Pre-visit

Post-visit

Average improvement of **45%** in test of key lifeskills subject knowledge

"The experience was faultless. Every child was engaged and proactive during the day."

20 volunteers have given **1,880** hours between them.
11 more people have applied or are in training.
