Head of Legal and Democratic Services provided an overview of the information contained in the document.

Members raised a number of queries in relation to consultation periods, TUPE transfer timelines and pension protections. The Head of Legal and Democratic Services explained that the consultation periods would be for a minimum period of 30 days but could be extended if necessary. TUPE transfer dates were highlighted in the transition schedule and each tranche had a proposed date identified. Staff transferring to the employment of the Chief Constable would continue to be members of the Local Government Pension Scheme and work was currently being undertaken to review any differences in the pension discretion policies of the two organisations. He added that the Unions would be consulted as part of the review of relevant HR policies.

A Member queried whether Heads of Department would be transferring over with the departments identified as in scope. He added that this was a key issue for the Fire Authority as it was important that Members had access to officers at a strategic level. The Head of Legal and Democratic Services explained the Chief Fire Officer and Chief Executive had a view that the Service Management Team should be retained with a number of Heads of Department retained to deliver statutory and strategic functions for the Fire Authority.

RESOLVED: That

- [1] the draft People Strategy be recommended to the Fire Authority for approval.**
