SECTION 1 – CHESHIRE FIRE AUTHORITY

- 1.1 The Cheshire Fire Service (Combination Scheme) Order 1997 (the Scheme) established Cheshire Fire Authority (the Authority) for the combined area then covered by Cheshire County Council, Halton Borough Council and Warrington Borough Council. Upon local government reorganisation in 2009 the Authority's combined area became that covered by the borough councils of Cheshire East, Cheshire West and Chester, Halton and Warrington (the Constituent Authorities). At that time it was agreed that there should be 23 Councillors appointed to the Fire Authority.
- 1.2 The Scheme restricts the number of Members that may sit on the Authority (to a maximum of 25). It also requires each of the Constituent Authorities to appoint such number of representatives to be Members of the Authority as is proportionate to the number of local government electors in its area in relation to the number of such electors in each of the Constituent Authority areas. In other words the seats are allocated in proportion taking into account the electoral numbers in each of the Constituent Authority areas. The allocation is checked each year.
- 1.3 There are currently 23 elected Members of the Authority. At present the appointments are made in the following proportions:
- | | |
|---|---|
| Cheshire East Borough Council | 9 |
| Cheshire West and Chester Borough Council | 7 |
| Halton Borough Council | 3 |
| Warrington Borough Council | 4 |
- 1.4 The Authority operates a committee system rather than an executive/ cabinet model. The Authority itself makes all the key decisions. It appoints the following main committees: Performance and Overview; Governance and Constitution; and Estates and Property. Seats on these main committees are allocated in political proportion.
- 1.5 A copy of the Cheshire Fire Services (Combination Scheme) Order 1997 is attached as Annex 1 to this section.

The Cheshire Fire Services (Combination Scheme) Order 1997

Made - - - - *8th November 1997*

Coming into force - - *9th November 1997*

Whereas it appears to the Secretary of State that it is expedient in the interests of efficiency that a combination scheme should be made for the areas of the fire authorities referred to in paragraph 3 of the scheme set out in the Schedule hereto (“the scheme”), and a scheme has not been submitted to him by those authorities;

And whereas the Secretary of State has been notified by the fire authorities concerned of their assent to the scheme;

And whereas a draft of the Order containing the draft scheme has been laid before Parliament for a period of forty days pursuant to section 6 of the Statutory Instruments Act 1946(2), and that period has expired without either House resolving that the Order be not made;

Now, therefore, in exercise of the powers conferred upon him by sections 6, 8 and 10 of the 1947 Act, and section 7(2) of the Fire Services Act 1959(3), the Secretary of State hereby makes the following Order:

COMBINED FIRE SERVICE FUND

21. (1) Each constituent authority shall, in respect of each financial year, pay into the combined fire service fund, in accordance with the provisions of this paragraph, a contribution equal to its appropriate proportion of the net expenses of the Authority in respect of that year.

(2) The Authority shall, before 31st December in any year, submit to each constituent authority an estimate of its net expenses for the next financial year, and shall subsequently, before 15th February, give notice to each constituent authority of the amount of the contribution to be paid by that authority under this paragraph in the next financial year.

(3) Subject to sub-paragraphs (4) and (5), each constituent authority shall, at such intervals as are agreed between it and the Authority, make an interim payment into the combined fire service fund of such an amount as is so agreed on account of the said contribution.

(4) Subject to sub-paragraph (5), if a constituent authority and the Authority fail to agree, or subsequently disagree, as to the intervals at which payments should be made under sub-paragraph (3) or as to the amounts of such payments, each payment shall, until the end of the financial year or subsequent agreement between the two authorities, whichever is sooner—

(a) be made on the first working day of each month, and

(9) For the purposes of this paragraph the net expenses of the Authority, in respect of any financial year, shall be the amount of its expenditure in respect of that year less all income which is credited to the combined fire service fund in respect of that year, other than contributions paid or payable under sub-paragraph (1), but may, for the purposes of preparing the estimate referred to in sub-paragraph (2) and if the Authority so resolve, include such amount or amounts as the Authority consider appropriate with a view to minimising any upward revision of an estimate under sub-paragraph (6).

“appropriate proportion” means the proportion of the total amount of the constituent authorities' council tax base which is represented by the council tax base of the constituent authority in question;

“council tax base” means the council tax base for the year calculated by the Secretary of State for the Environment for Revenue Support Grant purposes in accordance with the local government finance report for that year made under section 78A of the Local Government Finance Act 1988(7);

PART VI

EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes a scheme which combines the areas of the councils of the boroughs of Halton and Warrington (which would otherwise become individual fire authorities on 1st April 1998 by virtue of the Local Government Act 1992) and the Cheshire County Council into a combined fire area. The scheme comes into force on the same day as the Order comes into force for the purpose of doing anything which is necessary to bring the scheme fully into operation on 1st April 1998. The scheme establishes a fire authority for the combined area, to be known as the Cheshire Fire Authority, and provides for the appointment and terms of office of its members, and for meetings of the Authority. The scheme establishes a fire brigade for the combined area, to be known as the Cheshire Fire Brigade or by such other name as the Authority determines, appoints its first chief officer, and provides for the submission of an establishment scheme to the Secretary of State. The scheme establishes a combined fire service fund and provides for the administration of the Authority's finances. The scheme also provides for the transfer of staff, and certain property, rights and liabilities, directly from the Cheshire County Council (the fire authority for the same area as the combined area prior to 1st April 1998) to the new combined authority.

SECTION 2 – KEY DOCUMENTS

INTRODUCTION

This section includes a short explanation about key documents produced by the Fire Authority.

2.1 Integrated Risk Management Plan (IRMP)

The Fire and Rescue National Framework for England (**the Framework**) issued in July 2012 by the Department for Communities and Local Government sets out the requirements for the preparation of an IRMP.

The following paragraphs are taken from the Framework:

- 1.3 *Each fire and rescue authority must produce an integrated risk management plan that identifies and assesses all foreseeable fire and rescue related risks that could affect its community, including those of a cross-border, multi-authority and/or national nature. The plan must have regard to the Community Risk Registers produced by Local Resilience Forums and any other local risk analyses as appropriate.*
- 1.10 *Each fire and rescue authority Integrated Risk Management Plan must:*
- *Demonstrate how prevention, protection and response activities will best be used to mitigate the impact of risk on communities, through authorities working either individually or collectively, in a cost effective way.*
 - *Set out its management strategy and risk based programme for enforcing the provisions of the Regulatory Reform (Fire Safety) Order 2005 in accordance with the principles of better regulation set out in the Statutory Code of Compliance for regulators, and the Enforcement Concordat.*
- 1.11 *Fire and rescue authorities must make provision to respond to incidents such as fires, road traffic accidents and emergencies within their area and in other areas in line with their mutual aid agreements, and reflect this in their Integrated Risk Management Plans.*
- 2.3 *Each fire and rescue authority Integrated Risk Management Plan must:*
- *Be easily accessible and publicly available*

SECTION 2 – KEY DOCUMENTS

- *Reflect effective consultation throughout its development and at all review stages with the community, its workforce and representative bodies, and partners*
- *Cover at least a three year time span and be reviewed and revised as often as it is necessary to ensure that fire and rescue authorities are able to deliver the requirements set out in this Framework*
- *Reflect up to date risk analyses and the evaluation of service delivery outcomes*

3.2 *Fire and rescue authorities must provide assurance on financial, governance and operational matters and show how they have had due regard to the expectations set out in their Integrated Risk Management Plan and the requirements included in this Framework...*

2.2 Five Year Strategy – ‘Planning for a Safer Cheshire’

To provide the strategic direction for the Authority, a five year strategy is produced. This outlines the organisation’s vision, mission and objectives and the approach it will take in addressing the issues it faces in the medium term.

2.3 Medium Term Financial Plan (MTFP)

The MTFP covers a rolling period of four years and maps out financial predictions and assumptions to assist in the annual budget setting process and in ensuring longer term liabilities are provided for. The MTFP aligns with the approach set out in the four year strategy and underpin the annual IRMP action plans.

2.4 Annual Statement of Assurance (a requirement of the Framework)

The Authority is required to provide assurance on financial, governance and operational matters and show it has had due regard to the requirements of its IRMP and those included in the Framework. To provide this assurance the Authority must publish an Annual Statement of Assurance. This will not be a single document.

2.5 Business Continuity Plan (a requirement of the Framework)

It is a requirement of the Framework that the Authority must have effective Business Continuity arrangements in place in accordance with the duties set out in the Civil Contingencies Act 2004 and in order to meet the full range of service delivery risks that the Authority faces.

SECTION 2 – KEY DOCUMENTS

2.6 Annual Report

The Annual Report is produced to provide residents and external partners with a summary of the Authority's financial accounts together with details of Service performance and is made widely accessible.

2.7 Annual Financial Statement

The Authority has a statutory requirement to complete and approve a set of fully audited financial statements annually by the end of each July.

Press and Public

- 4.2 All meetings of the Fire Authority, Performance and Overview, Governance and Constitution, Estates and Property and Brigade Managers' Pay and Performance committees will be open to the press and public. However, the press and public may be excluded by resolution from a part of the meeting when items of a confidential nature or containing exempt information as defined in Part VA Access to Meetings and Documents in Certain Authorities, Committees and Sub-Committees and Schedule 12A to the Local Government Act 1972 are to be considered.
- 4.3 For the avoidance of doubt Councillors who are not Members of a particular Member Decision-Making Body do not have an automatic right to remain in a meeting of a Member Decision-Making Body once a resolution has been passed excluding the press and public from the meeting. Such a Councillor would only be entitled to remain in the meeting if they had been able to establish a "need to know" to the Chair of the relevant Member Decision-Making Body.

NB1: The Authority has adopted a protocol on reporting at meetings (see 4.64 onwards later in this section).

NB2: The existing description of 'exempt information' appears in Annex 1 to this section.

Election of Chair and Deputy Chair to the Fire Authority

- 4.4 The Elections will take place at the meeting of the Fire Authority in June each year.
- 4.5 The Chair is elected first. The Monitoring Officer will ask for nominations and then conduct an Election if there is more than one person nominated.

Where no person receives more than one half of the votes cast then the person receiving the least number of votes will be withdrawn. Further ballots will be held until one person receives more than one half of the votes cast.
- 4.7 The Deputy Chair is then elected following the same process for the Chair. The Chair does not have a casting vote where there is an equality of votes.

SECTION 4 – PROCEDURAL MATTERS

NB: The Monitoring Officer cannot accept a nomination for the position of Deputy Chair if the nominee is from the same constituent authority as the Chair.

Appointment of Other Chairs and Deputy Chairs

- 4.8 The Chair and Deputy Chair of the other Member decision-making bodies will be appointed at the meeting of the Fire Authority in June each year. These appointments will be made by agreement or through an election process similar to that described in the section entitled 'Election of Chair', except they will be concluded by a show of hands.

The request should state the specific reason(s) for the meeting and be signed by each of the Members submitting the request. If agreement on the request cannot be reached the matter should be referred to the Monitoring Officer for determination.

- 4.51 Once the Chair has replied, the questioner may ask one supplementary question which must relate to the answer given by the Chair to the original question.
- 4.52 The Chair may refuse to respond to a question or a supplementary question if in his/her opinion it is unduly lengthy, expressed in terms inappropriate for consideration at the meeting or is not related in the case of a supplementary question to his/her previous answer.
- 4.53 There will be no discussion on any matters raised by the question (including any matters raised by the supplementary question) but the Authority may agree, by resolution, that an appropriate item be placed on the agenda for its next meeting.
- 4.54 Question time at any Authority meeting will not exceed 15 minutes unless, at the Chair's discretion or by resolution of the Authority, it is agreed to extend the period.

PROTOCOL ON REPORTING AT MEETINGS

Introduction

- 4.64 Cheshire Fire Authority is committed to openness and transparency in how it conducts its business. This Protocol sets out its approach to certain types of reporting at its decision-making meetings. It outlines some basic principles and practical points aimed at balancing the requirements of both those wishing to report the meeting and those attending and taking part.

Reporting

- 4.65 The Local Government Act 1972 provides that individuals may carry out reporting at meetings of local government bodies. This Protocol is primarily concerned with reporting that involves filming, photographing, and/or audio-recording of meetings.

Before the meeting

- 4.66 There is no requirement to obtain permission or to make a prior arrangement to attend a meeting for the purpose of reporting upon it. However, if you are intending to film, photograph and/or audio-record, it would be helpful to contact Democratic Services (see contacts below) to ensure that suitable arrangements can be made to accommodate you.
- 4.67 There will be a designated position in the meeting room for you to see and hear the meeting and to allow you to film, photograph and/or audio-record it. You will normally have access to a seat and desk (although this may depend on how much space is available).
- 4.68 The Chair of the meeting will be informed if the reporting includes filming, photographing and/or audio-recording. Those attending the meeting who are not Members or officers will be made aware that they have the right to object to

SECTION 4 – PROCEDURAL MATTERS

being filmed, photographed and/or audio-recorded by you.

- 4.69 You must not start filming, photographing and/or audio-recording until the Chair opens the meeting.

During the Meeting

- 4.70 The Chair will announce at the beginning of the meeting that the meeting is being filmed, photographed and/or audio-recorded. He or she will then ask attendees whether they agree to be filmed, photographed and/or audio-recorded to allow them to register a personal objection. If anyone has a personal objection then the Chair can temporarily suspend filming, photographing and/or audio-recording to allow attendees to have their say.

Note: this does not apply to Members and officers.

- 4.71 If the Chair considers that the filming, photographing and/or audio-recording is disrupting the meeting he/she can instruct you to stop doing so. Therefore, it is worth noting that your equipment should not be noisy or otherwise distracting (e.g. flash and spotlights can be problematic).
- 4.72 You will not normally be allowed to give a live commentary on proceedings as this is highly likely to be disruptive.
- 4.73 If you refuse to stop filming, photographing and/or audio-recording when requested to do so, the Chair may ask you to leave the meeting. If you refuse to do so then the Chair may adjourn the meeting or make other appropriate arrangements for the meeting to continue without disruption. There are provisions in the Authority's Constitution that allow this.
- 4.74 When the meeting is officially closed by the Chair you must stop filming, photographing and/or audio-recording.

Exclusion from Meetings

- 4.75 The majority of the Authority's decision-making take place in meetings open to the public and press. You may only be excluded from a meeting when issues are being considered that involve confidential or exempt information (as defined in Section 100 of the Local Government Act 1972).
- 4.76 Even if you are excluded you will know the nature of the business to be dealt with while you are excluded from the meeting and the decision will be made known after the meeting.
- 4.77 No filming, photographing and/or audio-recording is permitted during any exclusion. All equipment for filming, photographing and/or audio-recording must be removed from the meeting room.

Interpretation of this Protocol

- 4.78 Any decision taken by the Chair on the interpretation of this protocol before, or at the meeting in question is final.

SECTION 4 – PROCEDURAL MATTERS

Authority Audio Recording

- 4.79 The Authority will make an audio-recording of all Member meetings that are held in public.
- 4.80 Meeting agendas will carry a statement about this Protocol.

POST MEETING - PROCEDURAL MATTERS

Publication of Minutes

- 4.81 **Minutes of the Authority – Open for Inspection**
- 4.82 The Minutes of the previous Fire Authority meeting will be submitted to its next meeting for confirmation as an accurate record of the proceedings.
- 4.83 The Chair will ask the Authority to confirm them as an accurate record and that he/she should sign them as such. Once the Minutes have been confirmed, with or without amendment, the Chair will sign them.
- 4.84 Any discussion about the Minutes must relate solely to their accuracy and/or sufficiency.
- 4.85 The Authority will also receive for information the Minutes of Performance and Overview Committee and Governance and Constitution Committee meetings and other bodies within the political structure.

SPECIFIC PROCEDURAL MATTERS

Rescinding a Decision

- 4.86 At a meeting of the Fire Authority, no motion or amendment shall be moved to rescind any resolution of the Authority which was passed within the preceding six months or which is to the same effect as one which has been rejected within that period; provided that such a motion may be moved if:
- (a) It is recommended by the Performance and Overview Committee or Governance and Constitution Committee; or
 - (b) notice of such a motion has been given and signed by at least three Members.

NB: A motion to rescind may not normally be pursued if the decision has been actioned and it would not be in the interest of the Authority to rescind the decision.

SECTION 4 – PROCEDURAL MATTERS

Urgent Business to be determined between Fire Authority Meetings

- 4.87 Where an item of business should be dealt with by Members that cannot await the next meeting of the Authority, it may be determined by the Chief Fire Officer and Chief Executive, Monitoring Officer, and Treasurer.
- a) The Chief Fire Officer and Chief Executive and/or the Monitoring Officer and/or the Treasurer will summarise advice required by Members in a form entitled 'Urgent Business to be Decided Between Fire Authority Meetings'. This should aim to provide sufficient information upon which Members are able to form a judgement and make a decision and may involve the production of the same level of detail as a report to the Fire Authority.
 - b) The form will then be submitted to the Chair (or the Deputy Chair in the Chair's absence) and the spokespersons of all other political groups represented on the Authority (with copies to the Deputy Chair for information).
- 4.88 Action may only be taken with the support of the Chair (or Deputy Chair in the Chair's absence) and/or the majority of the other spokespersons.
- 4.89 A report on the action taken will be made to the next meeting of the Authority. The report shall include the names of the Members consulted and their response. The Monitoring Officer may also notify Members at the time that the decision is made.

SECTION 6 – MEMBERS’ ROLES

GENERAL ROLE

- 6.1 Collectively, elected Members shape the future of the Fire Authority and determine its priorities. Whilst it is acknowledged that Members have a duty to represent their constituents and are members of their constituent authorities their overriding duty as Fire Authority Members is to act in the interests of the Authority as a whole.

Members will:

- 6.2 Be advocates for the Fire Authority in the respective communities they serve and act as a channel of communication to the community on Fire Authority strategies, objectives, policies, services and procedures.
- 6.3 Represent the views of their respective communities, wherever possible, in the Fire Authority’s decision-making processes by liaising with other Members, Officers and partner organisations to ensure that the needs of the local communities are identified, understood and supported.
- 6.4 Engage fully in Fire Authority business and meetings including meetings of any committee, board, task group or external organisation that they may be appointed to serve on from time to time. This includes a requirement to fully engage in any preparatory or follow up work or tasks such as undertaking training and site visits or participating in any study, research, review or scrutiny exercises.
- 6.5 Proactively and continually identify, seek out and participate in opportunities for personal development.
- 6.6 Make effective use of modern electronic communication including email, the internet and intranet, to aid efficient communication with officers, other Members and the community.
- 6.7 Provide support and encouragement to new Members.

SECTION 6 – MEMBERS’ ROLES

SPECIFIC ROLES

Chair of the Fire Authority and Deputy Chair in the Chair’s Absence

- 6.8 Acting as the Civic Head of the Authority, performing an ‘ambassadorial’ role on behalf of the Authority;
- 6.9 Acting as political Leader of the Authority;
- 6.10 Leading the development and maintenance of the Authority’s vision, objectives and values;
- 6.11 Participating in the North West Fire Forum;
- 6.12 Participating in regional and national political networks;
- 6.13 Enhancing links between the Authority and other public bodies and forging formal partnership working arrangements;
- 6.14 Encouraging links with the business community;
- 6.15 Chairing Authority meetings;

SECTION 6 – MEMBERS’ ROLES

Lead Members (each constituent Authority)

Roles and responsibilities

6.25 The role of Lead Member is:

- i] To represent the views of the Fire Authority at their constituent Authorities, taking the lead and co-ordinating activities in their constituent area in relation to Fire Authority business, where necessary.
- ii] To sit on the Business Continuity Committee
- iii] To fulfil the role of Business Continuity Member (Business Continuity Lead)

6.26 It is likely that the Chair and Deputy Chair will fulfill the role of Lead Member for their constituent Authorities. Should the Chair and/or Deputy Chair indicate a wish to act as Lead Member, they should automatically take this role without the need for appointment by Members of the Constituent Authority which appointed them to the Authority.

6.27 It should be noted that those Groups spokespersons that are not represented through the appointment of the Chair and Deputy Chair sit on the Business Continuity Committee and also act as Business Continuity Members (Business Continuity Leads) with the Chair and Deputy Chair.

Appointment

6.28 The appointment of a Lead Member is the responsibility of the members of the constituent Authority required to appoint a Lead member. If those Members are unable to decide or there is an equality of votes for candidates, the decision will then fall to be made by the Fire Authority. The Chair and Deputy Chair of the Authority assume the role of Lead Member for their constituent authorities.

Member Champions

6.29 The Structure allocates a number of Member champion roles. These roles make the best use of a Member’s experience and interest, whether gained in their constituent authority, working life or through a personal hobby.

6.30 It is expected that prior to the Authority meeting in June, Members will put themselves forward for these roles within their political groups, which will be subject to voting in the usual manner if they are not agreed.

SECTION 6 – MEMBERS’ ROLES

- 6.31 There is no constitutional requirement for Member Champions to be drawn from the largest group on the Authority, or to be drawn from any particular committee.
- 6.32 The role of Member Champions is to speak up, during Member meetings, on key issues relating to the position. In the consideration of reports and during debate, the Chair may look to the relevant Member Champion to speak or give an opinion to inform the wider Authority on matters relating to that Member Champion’s area of expertise.
- 6.33 The Member Champion will also be expected to serve as a key contact for Officers, when dealing with a relevant matter. This is particularly relevant for the purposes of consultation responses to government and policy development. Member Champions may be asked to attend key meetings and conferences arranged by external bodies. It is the responsibility of Member Champions to feedback any key messages from such events, to the wider Membership of the Authority, at meetings.
- 6.34 In some cases, Member Champions will be expected to Chair or sit on key Officer meetings. As with external meetings, it will be the role of Member Champions to ensure key messages are relayed back to the wider Authority and to provide a Member opinion on relevant matters of policy.

Independent Members

- 6.35 The independent members are not members of the Fire Authority. They are unelected and have an advisory role. They will be appointed following advertisement and interview and will normally hold a term of office.
- 6.36 Currently there are two independent members. They both sit on Governance and Constitution Committee and one sits on Performance and Overview Committee and Member Training and Development Group.

Police and Crime Commissioner for Cheshire

- 6.37 Cheshire Fire Authority (CFA) and the Police and Crime Commissioner for Cheshire (Cheshire PCC) are working more closely.

SECTION 7 – PROTOCOLS

PROTOCOL ON MEMBER AND OFFICER RELATIONS

“Every Local Authority should have its own written statement or protocol governing relations between Members and Officers” (Third report of the Committee on Standards in Public Life, the Nolan Committee)

Introduction

- 7.1 The relationship between the Elected Members and the Officers of the Fire Authority has always been and continues to be one of the main organisational strengths. However, the Authority accepts it is required to have a formal protocol which covers the relationship between Elected Members and Officers. This protocol is prepared to meet those requirements but against a background of a good working partnership which is well established widely accepted and benefits everyone who serves or is employed in the Authority. It will provide a safeguard to help ensure that current good practice continues.
- 7.2 The Fire Authority recognises that a strong, constructive and trusting relationship between Members and Officers is essential to the effective and efficient working of the organisation. Members and Officers should work in partnership in developing the policies of the Authority and in ensuring the delivery of services to the people of Cheshire, Warrington and Halton.
- 7.3 This protocol takes into account the respective and different roles of Members and Officers and does not seek to change or influence these roles. The intention is to build on the good relationship which already exists.
- 7.4 It is accepted that from time to time issues do arise which need to be addressed from both sides. This protocol will be used as appropriate to help in addressing any such matters.
- 7.5 It is recognised that the Authority is a corporate entity but that in terms of its political structure there is an administration and opposition dimension which involves both Members and Officers operating in a politically sensitive climate. Officers have an obligation to serve the Authority as a corporate body.
- 7.6 This protocol forms a key part of the Authority’s approach to corporate governance and its commitment to uphold standards of conduct in public life. The Authority supports also the wider aims of protecting and enhancing the integrity and reputation of public services and the highest standards of personal conduct.

Operation of this protocol

- 7.7 This protocol will be applied having regard to the requirements of the Members’ Code of Conduct and the Officers’ Code of Conduct, as set out in the Authority’s Constitution, and relevant Authority policies,

SECTION 7 – PROTOCOLS

procedures and processes. Members and Officers must at all times observe this protocol.

- 7.8 Where there is a conflict or discrepancy between this protocol and those codes and policies referred to in paragraph 7.25 above, then those codes and policies shall have precedence. Account will also be taken of any conventions in the case of conflict or discrepancy.
- 7.9 This protocol does not affect or interfere with any rights of or protection which a person may have in law.

Responsibility for the protocol

- 7.10 The Chief Fire Officer and Chief Executive is responsible for the operation of this protocol and will ensure that it is reviewed from time to time.
- 7.11 He or she will rule on the interpretation and / or the application of the protocol in matters of dispute and such rulings will be final. Where such a matter is relevant to or involves the Chief Fire Officer and Chief Executive then the Monitoring Officer shall be the appropriate Officer under this paragraph.
- 7.12 The Fire Authority is responsible for approving any amendments or additions to the protocol following consultation with Member and Officer representatives and the Governance and Constitution Committee where appropriate.

Member and Officer Roles

- 7.13 This protocol recognises that Members are elected and Officers are appointed to serve the people of the districts of Cheshire East, Cheshire West and Chester, Halton and Warrington and that their roles are distinct.
- 7.14 The Members are accountable to the electorate who determine the people they wish to represent them on various unitary authorities. These four Authorities then nominate Elected Members to sit on the Fire Authority.
- 7.15 Officers are accountable to the people of the districts of Cheshire East, Cheshire West and Chester, Warrington and Halton through the full Fire Authority.
- 7.16 Councillors are mainly responsible for:
- The political direction and leadership of the Authority.
 - The determination of policies, plans and strategies and deciding matters to give effect to or implement those policies, plans and strategies, particularly in service delivery terms.

SECTION 7 – PROTOCOLS

- Performing the Authority's regulatory functions.
 - Monitoring and reviewing, primarily through the Policy Committee and the Performance and Overview Committee functions, the Authority's performance in implementing its plans and strategies and in delivering its services.
 - Participation in partnership working.
 - Representing the Authority on national, regional and local bodies and organisations.
 - Representing the views of their communities and individual constituents in respect of the work of the Fire Authority.
- 7.17 Members should not involve themselves in the day to day management of the Authority's services as the responsibility rests with the Chief Fire Officer and Chief Executive and Senior Managers and there are clearly defined lines of accountability to Members. However, applying this part of the protocol, it has to be recognised that Members do have specific responsibilities under the Authority's Performance and Overview Committee function as set out in paragraphs 7.54 to 7.58 of this document.
- 7.18 Under the Authority's Constitution some Members have additional responsibility at Member level, for example being Chair of a committee, panel, or as lead, or champion Member for a specific area of the Service. The holding of these offices will involve a different relationship with certain Officers in areas where the Member has a particular role and responsibility. Also, the relationships will be more complex and expectations will be different from other Members.
- 7.19 It is important that Members of the Authority:
- Respect the impartiality of Officers and do not undermine their role in carrying out their duties.
 - Do not ask Officers to undertake work or to act in a way which seeks to support or benefit a particular political party or gives rise to the officer being criticised for operating in a party political manner.
 - Do not ask Officers to exceed their authority where that authority is given to them in law, by the Authority or by their managers.
- 7.20 This protocol recognises the role of opposition groups in the Fire Authority acting individually or jointly, and that relationships will be again different and complex. Members in opposition have the same rights and obligations in their relationships with Officers and should be treated equally. Where opposition groups, individually or collectively, appoint their Members to perform shadow or spokesperson roles, then

SECTION 7 – PROTOCOLS

the requirement of paragraph 7.36 will apply.

- 7.21 It is however envisaged that all Members will work co operatively to ensure that the Fire Authority meets its statutory obligations and provides an effective and efficient Fire and Rescue Service to the people of Cheshire.
- 7.22 The primary role of Officers is to advise, inform and support all Members and to implement the lawfully agreed policies of the Fire Authority.
- 7.23 In performing this role, Officers will act professionally, impartially and with political neutrality. Whilst Officers will report a Member's view on an issue, the Officer should not be influenced or pressured to make comments or recommendations which are contrary to his or her professional judgement or views.
- 7.24 The Chief Fire Officer and Chief Executive, the Monitoring Officer and the Treasurer (Section 151 Officer) have specific responsibilities placed on them by law. These responsibilities go beyond their obligations as employees of the Fire Authority. Where an Officer is discharging his or her responsibilities under any statutory office, a Member or Members shall not:-
- Interfere with or obstruct the Officer in exercising those responsibilities.
 - Victimise any Officer who is discharging or has discharged his or her responsibilities of the statutory office.
- 7.25 Both Members and Officers will, regardless of their role, always act in accordance with the Core Values of the Fire Authority, which are attached to this Protocol.

Member/Officer Obligations and Expectations

- 7.26 Members will require and expect Officers:-
- To be committed to the Authority as a whole and not to any political group or individual.
 - To work in partnership with Members in an impartial and professional manner.
 - To understand and support the respective roles of Members and the associated workloads and pressures.
 - To implement decisions of the Fire Authority and its subordinate committees which are lawful, have been properly approved in accordance with the law and the Authority's Constitution and formally recorded.

SECTION 7 – PROTOCOLS

- To respond to enquiries and complaints in accordance with the Fire Authority's standards.
- To provide professional advice, which is not influenced by political views or preferences, and which does not comprise the political neutrality of Officers.
- To provide information as agreed on matters that can reasonably be considered appropriate and relevant to their needs, taking into account the Members' individual responsibilities and position and the requirements on Members' access to documents and information, subject to specific exclusions, e.g. personal interests and confidentiality.
- To be aware of and sensitive to the internal and external political environment.
- To act with honesty, respect, dignity and courtesy at all times.
- To provide support and learning and development opportunities for Members to help them in performing their various roles.
- To act with integrity and appropriate confidentiality.
- Not to raise issues of a personal nature outside agreed procedures.
- Not to use their relationship with Members to advance their personal interests or to influence decisions improperly.
- To comply at all times with the Officer Code of Conduct and such other policies or procedures approved by the Fire Authority.
- To support the role of Councillors with any policy or procedure agreed by the Fire Authority.
- Not to support Members in any role other than that of a Fire Authority Member and not to undertake any actions which are not compatible with this Protocol.

7.27 Officers can expect Councillors:-

- To act within the policies, practices, processes and conventions established by the Fire Authority.
- To work constructively in partnership with Officers, acknowledging their separate and distinct roles and responsibilities.
- To understand and support the respective roles and

SECTION 7 – PROTOCOLS

responsibilities of Officers and their associated workloads, pressures and reporting lines.

- To give political leadership and direction and to seek to further their agreed policies and objectives with the understanding that Members have the right to take the final decision and issues based on advice.
- To treat them fairly and with respect, dignity and courtesy.
- To act with integrity, to give support and to recognise appropriate confidentiality.
- To recognise that Officers work to the instructions of their senior officers and not to individual Members.
- Not to subject them to intimidation, harassment or put them under pressure. Councillors will have regard to the seniority of Officers in determining what are reasonable requests, having regard to the relationship between with Councillor and officer and the potential vulnerability of Officers, particularly at junior levels.
- Not to request them to exercise discretion which involves acting outside the Fire Authority's policies and procedures.
- Not to authorise, initiate or certify any financial transactions or enter into any contract, agreement or undertaking on behalf of the Fire Authority, or in their role as Member of the Fire Authority without proper and lawful authority.
- Not to use their position or relationship with Officers to advance their personal interest or those of others, or to influence decisions improperly.
- To comply at all times with the Members Code of Conduct, the law, the Constitution and such other Policies, Procedures, Protocols and Conventions agreed by the Fire Authority.

Behaviour Limitations

7.28 The different roles of Members and Officers require particular limitations upon behaviour. Both Members and Officers need to ensure that their working relationship is appropriate to their respective role and that they do not act in any way which would lead to their behaviour being questioned. It is not possible to provide a list of circumstances where behavioural issues might be of concern. The main examples below help to illustrate the point.

- A close personal relationship between a Member and an Officer can confuse their separate roles and influence the proper discharge of the Authority's functions, not least in

SECTION 7 – PROTOCOLS

creating a perception that a Councillor or Officer may be securing advantageous treatment.

- The need to maintain the separation of roles means that there are limits to those matters on which a Member may seek the advice of an Officer, both in relation to personal matters and party political issues.
- Relationships with a particular individual or party group should not be such as to create public suspicion that an employee favours one Councillor or group above the others.

Political Groups

7.29 It is in the interests of the Authority to support to some degree the effective operation of all its political groups and not one particular group. The operation of Political Groups may, however, pose particular issues for officers in terms of their impartiality.

7.30 A political group may request the Chief Fire Officer and Chief Executive or a senior manager to prepare a written report on a matter or matters relating to the Authority for consideration by the Group.

7.31 An Officer report to a political group will be restricted to a statement of material facts and identification of options and the merits or otherwise of such options for the Authority. Such reports will not cover any political implications on the matter or any opinion. Such reports will not include any recommendations.

7.32 The release of such reports to other political groups shall be dealt with in accordance with any conventions in existence at the time.

7.33 A political group may request the Chief Fire Officer and Chief Executive or a senior manager to attend a meeting of the group to advise on particular matter relating to the Authority. The Chief Fire Officer and Chief Executive or senior manager may arrange for the attendance of the representative on his or her behalf, or may decline to attend or send a representative where he or she is of the opinion that the particular issue is of such a political nature that it would be inappropriate to attend.

7.34 Officer advice at a meeting of a political group will be restricted to a statement of material facts and identification of options and the merits or otherwise of such options for the Authority. The advice will not cover any political implications of any matter or any opinion.

7.35 All Officers will respect the confidentiality of any matter which they hear in the course of attending any political group meeting or in respect of any requests for advice and the giving of that advice.

Attendance of Officers at Performance and Overview Committee

SECTION 7 – PROTOCOLS

- 7.36 It is accepted that in carrying out its role, the Performance and Overview Committee may require an Officer to attend to answer questions or to discuss issues. In requiring an Officer to attend, the Committee will consider the seniority of the Officer it would be appropriate to invite. There is a presumption against inviting Officers outside the senior Officers range to attend in this capacity. Requests for Officer attendance shall also have regard to workloads of Officers.
- 7.37 Where an officer attends such a meeting his or her contributions should be confined to matters of fact and explanation. However, an Officer may be asked to explain and justify advice which he or she has given prior to a decision having been made, including decisions taken by him or her using their delegated powers.
- 7.38 Officers should not be drawn into discussions of a political nature which would be inconsistent with the political neutrality requirement, nor should any questioning of an officer be reasonably interpreted as constituting harassment.
- 7.39 In Performance and Overview proceedings the capability or competence of Officers must not be questioned. The distinction needs to be drawn between reviewing the policies, performance and decisions of the Authority and its services and the appraisal of officers' individual performance. The latter is not a function of the Performance and Overview Committee.
- 7.40 In applying this part of the Protocol, account will be taken of any guidance agreed by Performance and Overview Committee provided that guidance is consistent with the principles of this Protocol.

Breaches of the Protocol

- 7.41 Where a Member is dissatisfied with the conduct, behaviour or performance of an Officer, the matter should be raised with the appropriate Brigade Manager. Where the Officer concerned is a Brigade Manager, the matter should be raised with the Chief Fire Officer and Chief Executive. Where the employee concerned is the Chief Fire Officer and Chief Executive, the matter should be raised with the Monitoring Officer.
- 7.42 On the Member's side, where the relationship between Councillors and Officers breaks down or becomes strained, every effort will be made to resolve matters informally, through conciliation by an appropriate senior manager or Councillors. Officers will also have recourse to the Grievance Procedure or to the Authority's Monitoring Officer as appropriate, in certain circumstances. In the event of a Grievance or Complaint being upheld, the matter will be referred to the Chief Fire Officer who, having advised the Chair of the Authority and the other appropriate party spokespersons, will decide on the course of action to be taken, following consultation with the Governance and Constitution Committee if appropriate.

SECTION 7 – PROTOCOLS

- 7.43 Breaches of the Protocol by a Member may result in a complaint to the Governance and Constitution Committee and in the case of Officers may lead to disciplinary action.

SECTION 8 - CHESHIRE FIRE AUTHORITY: MEMBERS' CODE OF CONDUCT

1. INTRODUCTION

This Code of Conduct is based on the Local Government Association's Model Councillor Code of Conduct 2020. It contains statements made by a Member of the Fire Authority that is subject to this Code of Conduct. It was adopted by Cheshire Fire Authority on 8th December 2021.

The Principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B – Registering and Declaration of Interests

This Appendix tells me about my obligations in relation to the registering and declaration of interests.

I understand that a failure to register or disclose a Disclosable Pecuniary Interest is a criminal offence under the Localism Act 2011.

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable Pecuniary Interest” means an interest of yourself, or your partner if you are aware of your partner’s interest, within the descriptions set out in Table 1 below.

“Partner” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept-up-to-date and within 28 days of becoming aware of any new interest, or any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of Disclosable Pecuniary Interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a Disclosable pecuniary interest.

Disclosure of Other Registerable Interests

5. Where a matter arises at a meeting which ***directly relates*** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

6. Where a matter arises at a meeting which directly relates to your financial interest or wellbeing (and is not a Disclosable Pecuniary Interest set out in table 1) or a financial interest or wellbeing of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
7. Where a matter arises at a meeting which affects –
 - a. Your own financial interest or wellbeing;
 - b. A financial interest or wellbeing of a relative or close associate; or
 - c. A financial interest or wellbeing of a body included under Other Registerable Interests as set out in Table 2

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

8. Where a matter (referred to in paragraph 7 above) affects the financial interest or wellbeing:
 - a. To a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. A reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

SECTION 9 – MEMBERS’ ALLOWANCE SCHEME

Introduction

- 9.1 Local authorities are required to introduce a scheme dealing with Member remuneration complying with the provisions contained in the Local Authorities (Members Allowances) (England) Regulations 2003 (and amendments thereto).
- 9.2 Local authorities must establish and maintain an Independent Remuneration Panel to make recommendations on their schemes. Whilst the Regulations do not require a fire authority to have its own Independent Remuneration Panel, it must have regard to the recommendations made by Panels of the local authorities that appoint its Members (i.e. the constituent authorities).
- 9.3 The amounts payable under the Regulations are for individual authorities to decide, taking into account local circumstances, ways of working and the make up of individual decision making arrangements.
- 9.4 Authorities determine the amount of each allowance within the scheme on an annual basis.
- 9.4 The Regulations enable authorities to make provision for the annual adjustment of allowances by reference to an index which may apply for no longer than four years. Cheshire Fire Authority undertakes a review of the scheme every four years with the assistance of a member of an Independent Remuneration Panel operated by a constituent authority.
- 9.5 Schemes must include a Basic Allowance payable to all Members of the Authority and payment of Special Responsibility Allowances. Travel and subsistence are discretionary. The current Scheme of Members’ Allowances is attached as **Appendix 1**.

BASIC AND SPECIAL RESPONSIBILITY ALLOWANCES

- 9.6 Each Member is paid a basic allowance which is the same for each Member. The allowance recognises the time commitment of all Members including attending meetings and working within their locality.
- 9.7. A special responsibility allowance is payable to those Members who have significant responsibilities e.g. the Chair and Deputy Chair of the Authority.

TRAVEL AND SUBSISTENCE

- 9.8. The Authority has made provision in its scheme for reimbursing Members for the cost of travel and subsistence in performing their duties. The allowances can only be claimed in respect of meetings and duties as prescribed in the Scheme.

SECTION 10 – FINANCIAL REGULATIONS

Purpose

- 10.1 The Financial Regulations (the Regulations) set out in this document define the roles and responsibilities of the officers and Members of Cheshire Fire Authority (the Authority) in relation to financial matters.
- 10.2 The basic principle which underpins these regulations is that responsibility is delegated to an appropriate officer, within systems which the Authority, the Chief Fire Officer and Chief Executive, the Treasurer (who is the Section 151 Officer) and the Head of Finance feel are suitably controlled. Internal Audit and other reports help them form their judgement on the adequacy of control mechanisms.
- 10.3 Managers must provide effective induction and training to enable staff to understand these Regulations and deal appropriately with financial matters.
- 10.4 There may be circumstances where an officer feels unable to comply with the Regulations. Before the officer proceeds with an action which does not comply with the Regulations, they must seek guidance from the Head of Finance. Member approval may be required.
- 10.5 The Regulations will be reviewed by the Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance annually and by Members at least every three years. Minor changes will be made to these Regulations to reflect new risk or changing circumstances with the agreement of the Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance.

Roles and Responsibilities

- 10.6 The respective roles and responsibilities, in relation to financial matters, of the Authority, the Chief Fire Officer and Chief Executive, the Treasurer, the Head of Finance, the Monitoring Officer, Directors and Heads of Departments are contained in the table which forms Appendix 1.
- 10.7 Members approve the revenue budget, the council tax precept, the annual capital programme and the statutory accounts, and receive quarterly reports on the Authority's budgetary position.
- 10.8 The Treasurer and the Head of Finance regularly report financial matters to the Authority's Service Leadership Team, (SLT), which is chaired by the Chief Fire Officer and Chief Executive, and which meets every month.

SECTION 10 – FINANCIAL REGULATIONS

Revenue Budgets

Approval of the revenue budget

10.9 The revenue budget and council tax precept are approved by the Authority in February each year for the following financial year.

Virement of revenue budgets

10.10 Virement is the transfer of budget in order to prevent overspends or to accommodate changes in activity.

10.11 If, in the opinion of the Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance any virement would result in a significant change to Authority policy it must be approved by the Authority.

10.12 Any virement of more than £50k must be approved by the Authority.

10.13 Any virement of less than £50k must be approved by the Chief Fire Officer and Chief Executive.

Dealing with overspending of revenue budgets

10.14 All Heads of Department must regularly scrutinise their budgets and seek to avoid overspends wherever possible. A quarterly budget monitoring report is presented to the Performance and Overview Committee.

10.15 Where a revenue overspend is projected, the Head of Department will make every effort to offset the overspend from within their departmental budget. If this is not possible, then SLT will make every effort to offset the overspend from within the Service budget.

10.16 The treatment of any year end overspends and underspends will be determined by the Authority.

Reserves

10.17 The Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance will advise the Authority on prudent levels of reserves.

10.18 The Authority holds two categories of reserves as set out by the Code of Practice on Local Authority Accounting:

- Usable - these are available to meet future expenditure demands. They consist of the General Fund and earmarked reserves.

SECTION 10 – FINANCIAL REGULATIONS

- Unusable – these are prescribed in accounting regulations and do not impact directly upon the Medium Term Financial Plan, budget, or precept setting decisions.

10.19 The Authority will hold usable reserves for the following three main purposes:

- As a contingency to cushion the impact of unexpected events or emergencies (the General Fund)
- As a means of meeting known or predicted liabilities (earmarked reserves)
- As a means of smoothing expenditure as part of the Medium Term Financial Plan (earmarked reserves).

10.20 The need for any new reserve and the movement on existing reserves will be reported to Performance and Overview Committee as part of the regular quarterly reporting process.

10.21 For each reserve the Authority will set out:

- The purpose of the reserve;
- How and when the reserve can be used;
- A process and timescale for review of the reserve to ensure its continuing relevance and adequacy.

10.22 The Treasurer will provide the Authority with an annual statement on the adequacy of reserves at the meeting at which the annual budget is approved.

Capital

10.23 Capital expenditure will be identified as such during the budget building process, and if additional expenditure is approved during the year. The capital programme will be approved annually by the Authority. In order to qualify as capital, expenditure must satisfy the following criteria:

- Be in excess of £10k
- Create an asset which has benefits which last for more than one year
- Comply with guidance in the appropriate CIPFA code

10.24 Progress on the capital programme will be reported quarterly to the Performance and Overview Committee. The impact of any estimated overspends on the funding of the programme will be considered and every effort will be made to accommodate the impact within the existing funding package. If the overall impact cannot be accommodated, then the Chief Fire Officer and Chief Executive and Treasurer jointly may approve an increase in funding of up to £50k. For funding above this level, approval must be sought from the Authority.

SECTION 10 – FINANCIAL REGULATIONS

10.25 Income which is the result of the disposal of an asset and which is greater than £10k will be considered as a capital receipt. All other income will be treated as revenue. Paragraph 10.40 deals with the procedure for disposing of assets.

SECTION 10 – FINANCIAL REGULATIONS

Assets

Land and Buildings

- 10.26 Proposals for the acquisition or sale of land or buildings must be fully appraised and may only be approved by the Authority. Proposals to enter into a lease with a term of 5 years or more will also require Authority approval.
- 10.27 Sales of land and/or buildings and the surrender of a lease with a term of five years or more will require Authority approval.

Management of assets

- 10.28 The Head of Estates will maintain an Asset Management Strategy.
- 10.29 Any manager who has responsibility for managing and/or operating Authority assets will make proper arrangements to ensure that assets are held securely and are properly maintained.

- 10.32 All assets (as defined within the Asset Management Strategy) must be included on an inventory, in a form determined by the Service Leadership Team.

- 10.33 Stock is defined as a supply of items which are constantly required.
- 10.34 The Authority maintains a central stores, and, wherever possible, all stock should be held in the stores.
- 10.35 Where small amounts of stock are held locally they will be subject to procedures agreed by the Head of Service Delivery and the Head of Finance.
- 10.36 Stock checks will be carried out wherever stock is held in a form determined by the Head of Service Delivery and the Head of Finance, in accordance with timescales agreed by them.

SECTION 10 – FINANCIAL REGULATIONS

Write off of assets

- 10.37 Assets, including stock, up to the value of £5k may only be written off with the approval of the Head of Finance.
- 10.38 Assets, including stock, with a value between £5k and £10k may only be written off with the approval of the Chief Fire Officer and Chief Executive and the Treasurer.
- 10.39 Assets, including stock, with a value greater than £10k may only be written off with the approval of the Performance and Overview Committee.

- 10.41 Only goods and services relating to official Authority business may be procured.
- 10.42 The Scheme of Financial Delegation will include authorised limits for individual officers in relation to the ordering of goods and services.
- 10.43 Heads of Departments must ensure that adequate separation of duties operates in all areas of procurement and purchasing. Guidance on this may be sought from the Head of Finance.
- 10.44 Official orders must be raised for all goods and services except for rent, business rates, Council Tax, public utility services and petty cash purchases, except with the prior agreement of the Head of Procurement and the Head of Finance.

- 10.46 Oral orders may only be made in cases of urgency and with the prior approval of the Head of Procurement and the Head of Finance; all such oral orders must be confirmed by hard copy, but care must be taken not to create duplicate orders.

SECTION 10 – FINANCIAL REGULATIONS

Quotations and tenders

General Requirements

- 10.47 Wherever possible, procuring goods or services should involve some form of competition.
- 10.48 There is an expectation that Value for Money will be achieved, which might involve consideration of quality and service as well as cost.
- 10.49 There must be sufficient appropriately approved budget to cover the cost of the goods and/or services being procured.
- 10.50 There must be some documentation, which must be retained. In most circumstances, correspondence by email exchange is sufficient.
- 10.51 No procurement exercise or purchase of any goods or services should be undertaken if there is a risk that a family member, friend or acquaintance, or any associated business/company etc. of the officer involved will quote or bid. In those circumstances the officer should ensure that someone else deals with the matter.

Procurement Approach

- 10.52 The value of the procurement determines the approach to procurement (but see also para 10.56). The table below outlines the basic requirements. In all cases a suitable record of the process followed and contractual arrangement must be kept. In some cases there is a requirement to publish the information.

Up to £5,000
Ideally, three verbal quotes should be secured, and/or research should be carried out to ensure the price is appropriate, for example on the internet, or by checking with other FRSs etc. Strategic Procurement will not normally need to be involved
£5,000 up to £10,000
Written quotes must be obtained (generally email exchanges will suffice). Strategic Procurement may need to be involved.
£10,000 and above
Strategic Procurement must be involved.

SECTION 10 – FINANCIAL REGULATIONS

Strategic Procurement

10.53 Strategic Procurement must be involved in the following circumstances.

- When the value of the goods or services (over the lifetime of the agreement) is greater than £10,000
- When procuring something that is business-critical, to ensure that any bespoke contract provisions to protect the Service as far as possible are included.
- When procuring something that is complex, as there might be a need to involve other departments, for example IT, and for bespoke contract provisions to be drafted.
- When procuring something that involves a higher than normal level of risk (for example the goods are unproven, or the service provider has no experience).
- When procuring something that is unusual/novel, as there might be a need for bespoke contract provisions to be drafted.
- When procuring something that is of a recurring nature, as there might be a benefit if the contractual arrangement allows regular purchases to be made.
- When procuring something that is expected to be in existence/in operation for a length of time, as there might be a need to consider guarantee/warranty requirements and/or how performance will be measured/monitored.
- When being asked to enter into a contract based upon someone else's terms and conditions.

If in doubt, Strategic Procurement must be contacted for advice.

Exclusions from these Requirements

10.54 In the circumstances below it may be possible to procure goods or services without following the requirements described above. Permission must be obtained in line with paragraph 10.55.

- Procuring something that must be compatible with an existing asset/service.
- Procuring something that is required in a genuine emergency.
- Procuring something that is genuinely unique.
- Procuring something from the only supplier able to provide the service.
- Procuring something when a bespoke arrangement has been put in place, e.g. a term contract or call-off contract.

10.55 Permission must be sought via Strategic Procurement. Decisions about exclusions are taken by the Service's Monitoring Officer and Treasurer who will receive advice from the Head of Strategic Procurement (or nominated deputy). If the Monitoring Officer is unavailable, the Chief Fire Officer will take the decision, and/or if the Treasurer is unavailable, the Head of Finance will take the decision.

SECTION 10 – FINANCIAL REGULATIONS

Framework Contracts

- 10.56 There are a significant number of procurements that lead to the creation of framework contracts. These are contracts that are available to a number of buyers and often the Service is included and can benefit from them. The contracts are run by the government, local authorities, fire and rescue services and other emergency services.
- 10.57 Framework contracts are often set up with comprehensive terms and conditions. They often allow purchases to be made from a kind of catalogue using an order form. Using them can cut down on the amount of work required to purchase something and wherever possible they should be considered. Strategic Procurement will provide advice about available framework contracts and the necessary process that needs to be followed.

Payments to creditors

- 10.58 The Head of Finance is responsible for the payment of creditors.
- 10.59 Heads of Departments must ensure that adequate separation of duties operates in respect of creditor payments. Guidance on this may be sought from the Head of Finance
- 10.60 The workflow for approving payment will be in accordance with systems approved by the Head of Finance.

Imprest accounts

- 10.61 Imprest accounts are sums made available in the form of bank current accounts and petty cash from which officers may make purchases of less than £50.
- 10.62 All expenditure paid through imprest accounts must be supported by receipts, except with the prior approval of the Head of Finance, and records must be maintained in a form agreed by the Head of Finance.

- 10.68 No income may be paid into imprest accounts.
- 10.69 Claims for reimbursement of imprest accounts must be completed in accordance with guidelines and in a form agreed by the Head of Finance.

Payroll and pensions

- 10.70 The Head of People and Development is responsible for instructing the payroll and pension contractors and for providing accurate and timely information to enable the contractors to pay salaries, wages, mileage, other expenses and pensions. They will ensure that the amounts deducted from employees' salaries are paid to the appropriate body within agreed timescales.
- 10.71 The Head of People and Development will determine the format in which information is transmitted to the payroll and pension contractors.
- 10.72 The Head of People and Development is responsible for ensuring that all information transmitted to the payroll and pension contractors is suitably authorised and reconciled.

- 10.80 Only official receipts will be issued.
- 10.81 Cash will be stored separate from any personal monies and be banked as soon as reasonably possible.
- 10.82 No payment for any purpose may be made out of income received.

Debtors

- 10.83 The Head of Finance will maintain a debtor's policy, and every effort should be made to collect income due in line with this policy. Where this proves not to be possible, debts up to £5k may be written off with the approval of the Head of Finance, those between £5 and £10k with the approval of the Chief Fire Officer and Chief Executive and Treasurer and those above £10k with the approval of the Fire Authority.

- 10.88 The approval of the Chief Fire Officer and Chief Executive and the Treasurer must be obtained before the Authority assumes any responsibility for Third Party Funds.
- 10.89 The Treasurer will make suitable banking arrangements for Third Party Funds.

- 10.92 Internal audit will have full access to all premises, assets and records and Authority staff will provide internal audit with all information, explanations and records which they require.

Fraud and irregularity

- 10.93 If any officer has suspicion that there has been any fraud or irregularity of any sort, including bribery, within the Authority, they must inform their line manager immediately (or grandparent line manager if necessary). If they do not feel able to do this, the Authority's Code of Conduct includes a Whistle Blowing Policy, which they may utilise.
- 10.94 The Chief Fire Officer and Chief Executive and the Treasurer must be informed immediately of any allegation of fraud or irregularity.
- 10.95 Senior officers are required to be familiar with the Anti-Fraud and Bribery Policies. They should make other staff aware of the existence of the policies and who to contact if they have concerns relating to fraud or irregularity.

Joint arrangements and partnerships

10.102 All offers of sponsorship must be considered in the context of the integrity of the Service, and must not involve, or imply, any warranty or guarantee of a sponsor's products or reputation.

10.103 All offers of sponsorship must be considered by the Chief Fire Officer and Chief Executive, Monitoring Officer and Treasurer. They may wish to refer any offer to the Authority if they feel the nature of the sponsorship warrants it, and must do so where the offer is judged to exceed £20,000.

SECTION 11 - SCHEME OF DELEGATION – (POWERS OF OFFICERS)

Introduction

- 11.1 This Scheme of Delegation (the Scheme) sets out the powers of officers.
- 11.2 The powers of officers are given to them (delegated) by Cheshire Fire Authority (the Authority). The delegation of powers takes place by virtue of Members approving the Scheme. Section 101 of the Local Government Act 1972 grants the power to delegate.

General Principles

- 11.3 Officers must not take decisions which are the responsibility of the Authority, any of its decision-making bodies, or an individual Member.
- 11.4 Officers will normally be expected to exercise the powers delegated to them but may on occasion choose not to do so. They are at liberty to refer a matter to another officer and/or Members of the Authority.
- 11.5 Officers must use their powers in such a way that is consistent with the policies and procedures of the Authority.
- 11.6 Officers must ensure that in using their powers they do not break the law, and take note of any relevant guidance, codes of practice etc.
- 11.7 Officers must use their powers in a way that is consistent with the Authority's available budget (generally, as well as that which is specifically allocated for management by the officer) and its financial regulations.
- 11.8 Officers must consider whether it is necessary to consult with officers and/or Members prior to exercising their powers. If they do consult they must have regard to any views expressed/advice given.
- 11.9 Officers are able to delegate a power to another officer provided that:
- The delegation is to an officer at an appropriate level and with appropriate experience;
 - If it is possible to further delegate it is properly described;
 - The delegation is recorded;
 - Details of the delegation are given to the Director of Governance and Commissioning.
- 11.10 Officers exercising their powers must consider whether other officers and/or Members require notification of actions/decisions etc.
- 11.11 Officers with delegated powers must review the delegations available to them regularly.

NB For the purpose of the above Principles, 'Officers' means those roles that are described in the Scheme.
