## **RESPONSIBILITIES OF THE FIRE AUTHORITY**

- 2. The responsibilities of the Fire Authority are set out in Appendix 1A.

## **RESPONSIBILITIES OF COMMITTEES, BOARDS ETC.**

- 3. Appendix 1B contains details of the responsibilities of the respective committees etc.

Note: Responsibilities for relevant plans, strategies and policies are included.

## **POLITICAL PROPORTIONS ON THE FIRE AUTHORITY**

- 4. Political proportions are important as they determine the allocation of seats on some committees. At the time of writing it is anticipated that there will be four Political Groups.

Political Group	Seats	Percentage
Labour	12	52.17
Conservative	7	30.43
Liberal Democrat	2	8.70
Independent	2	8.70
Total	23	100

## **POLITICAL PROPORTIONALITY RULES (WHERE THEY APPLY AND WHERE THEY DON'T AND THEIR EFFECT UPON THE ALLOCATION OF SEATS ON COMMITTEES ETC.)**

- 5. The Local Government (Committees and Political Groups) Regulations 1990 and Local Government and Housing Act 1989 make provision for the handling of political group representation on the Fire Authority's committees. For the sake of simplicity the term 'political proportionality rules' has been used.
- 6. The political proportionality rules are not straight-forward. They involve the application of certain principles '...as far as reasonably practicable...' in allocating seats to political groups. These principles are set out below:
  - a) that not all the seats on the body are allocated to the same political group;

- b) that the majority of the seats on the body is allocated to a particular political group if the number of persons belonging to that group is a majority of the authority's membership;
  - c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that authority as is borne by the number of members of that group to the membership of the authority; and
  - d) subject to paragraphs (a) to (c) above, that the number of the seats on the body which are allocated to each political group bears the same proportion to the number of all the seats on that body as is borne by the number of members of that group to the membership of the authority.
7. Not all of the Authority's bodies are caught by the political proportionality rules. For example, the Member Training and Development Group is not.
8. Some other bodies exist where there is no requirement for appointments to be made, e.g. Closure of Accounts Committee (role fulfilled by Performance and Overview Committee) and Staffing Committee (same membership as Brigade Managers' Pay and Performance Committee).

#### **APPOINTMENT OF MEMBERS TO AVAILABLE SEATS ON COMMITTEES ETC.**

9. Members are asked to note the information above and that contained in Appendix 2A when considering the allocation of seats and appointments required in Appendix 2B.

#### **INVOLVEMENT OF INDEPENDENT (NON-ELECTED) MEMBERS**

10. Last year the Authority continued to operate with one independent (non-elected) member. He attended Governance and Constitution Committee, Performance and Overview Committee and Estates and Property Committee. He was also involved in the Member Training and Development Group. He is happy to continue.

#### **OUTSIDE BODIES**

11. Members are asked to make appointments to the outside bodies covered in Appendix 3. Members will see that the roles of the bodies and delegated powers (if any) are set out in the Appendix.

#### **MEMBER CHAMPIONS**

12. Members are asked to appoint the Member Champions covered in Appendix 4.

## **MEMBER/OFFICER BUDDY ARRANGEMENTS**

13. The Authority operates a Member/officer buddy arrangement. This is intended to provide Members with officer support to help develop their knowledge of the organisation and the fire and rescue sector generally.
14. Members are asked to agree the continuation of the buddy arrangements. The alignment of Members with officers will be confirmed shortly after the meeting to take account of Member appointments e.g. Chairs and Member Champion roles.

## **Financial Implications**

15. The cost of operating the democratic process is contained within the Authority's budget.

## **Legal Implications**

16. The Fire Authority has delegated certain functions to various decision making bodies and has in place arrangements to facilitate good communications between Members and officers. The appointments made as a result of this report help to ensure that decisions made will be set within an appropriate legal framework.

## **Equality & Diversity Implications**

17. There are no equality and diversity implications arising from this report.

## **Environmental Implications**

18. There are no environmental implications arising from this report.
