There is also a joint emergency services road safety plan and a contract in place to deliver a road safety programme for Cheshire East Council.
3. The Service's road safety activity contributes to the local authorities' fulfilment of their statutory duties under the Road Traffic Act 1988, whereby authorities must promote road safety and make contributions towards the cost of measures for promoting road safety.
4. It is accepted that the Service's Prevention team (Advocates) and firefighters are ideally placed to deliver road safety messages as they have a wealth of experience delivering safety messages to the public and are respected and valued by all ages and sections of society.
