

Introduction

- 9.1 In making a Members' Allowances Scheme the Fire Authority is required to comply with certain parts of and regulations within the Local Authorities (Members Allowances) (England) Regulations 2003 (as amended).
- 9.2 A Members' Allowances Scheme must make provision for the payment of a Basic Allowance which is a sum payable to every Member. It may make provision for various other payments, e.g. Special Responsibility Allowance, Dependants' Carers' Allowance and Travelling and Subsistence Allowance
- 9.3 A Members' Allowances Scheme must be made before the beginning of each year that it applies to. It can contain a provision for an annual adjustment of Members' Allowances by reference to an index. Such an index can be relied upon for a period of four years.
- 9.4 When making its Members' Allowances Scheme the Fire Authority is required to have regard to the recommendations of the independent remuneration panels of the local authorities that appoint its Members.
- 9.5 The Fire Authority undertakes a review of the Members' Allowances Scheme every four years. The review is supported by an individual that provides an independent view.
- 9.6 Each Member of the Fire Authority is paid a Basic Allowance which is the same amount for each Member. Special Responsibility Allowances are also payable for certain roles, e.g. Chair and Deputy Chair of the Fire Authority.
- 9.7 The Authority has made provision in its Members' Allowances Scheme for reimbursing Members for the cost of travel and subsistence in performing their duties. Such claims must relate to meetings and duties that are considered to be 'Approved Duties'. These are prescribed in the Members' Allowances Scheme.
- 9.8 Further information about the Scheme can be obtained from the Governance and Corporate Planning Manager, Fire Service HQ, Winsford, Cheshire.
