

Cheshire Anti-Bullying Charter

Statement of intent

We are committed to providing a caring, friendly, tolerant and safe environment for all of our communities so they can participate in positive work, learning, social activity and enjoy a happy retirement. Bullying of any kind is unacceptable for anyone here in Cheshire, Warrington and Halton.

Cheshire Anti-Bullying Commission definition of bullying

There is currently no legal definition of bullying; however there are three agreed defining features of bullying:

- 1 a victim is targeted by an individual or group on a regular basis (it is repeated).
- 2 there is intention to harm or humiliate physically or emotionally.
- 3 there is a power imbalance, the victim is fearful of those targeting them.

This charter is designed to complement the same principles and standards of anti-bullying work driven by proactive schools, colleges and Safeguarding Partnerships across the Region. This Charter recognises the impact of bullying on adults - in the work place and communities, and the need to challenge harassment and bullying behaviour as it affects all of our learners, our employees and residents.

Cheshire Anti-Bullying Charter

There are several factors that might mean people are at greater risk of becoming the target of bullying. Often these are linked to an actual or a perceived 'difference' that affects their status or makes them 'stand out' in the eyes of the bully.

Signatories of this charter will champion the rights, safety and needs of those residents' subject to bullying with factors including:

- having a disability
- having learning difficulties or long-term health conditions (including mental health problems)
- Level of ability as a worker, employee or volunteer
- social choices (such as belonging to different social groups or dress sense)
- level of affluence
- religion/belief
- ethnicity
- sexual orientation
- gender identity

However, bullying may not be linked to any of the above factors and, as such, we will believe those who are suffering and take action to stop the abuse and harassment wherever it occurs.
