APPENDIX 1 – Responsibility Matrix

SECTION 10 – FINANCIAL REGULATIONS

Purpose

- 10.1 The Financial Regulations (the Regulations) set out in this document define the roles and responsibilities of the officers and Members of Cheshire Fire Authority (the Authority) in relation to financial matters.
- 10.2 The basic principle which underpins these regulations is that responsibility is delegated to an appropriate officer, within systems which the Authority, the Chief Fire Officer and Chief Executive, the Treasurer (who is the Section 151 Officer) and the Head of Finance feel are suitably controlled. Internal Audit and other reports help them form their judgement on the adequacy of control mechanisms.
- 10.3 Managers must provide effective induction and training to enable staff to understand these Regulations and deal appropriately with financial matters.
- 10.4 There may be circumstances where an officer feels unable to comply with the Regulations. Before the officer proceeds with an action which does not comply with the Regulations, he/she must seek guidance from the Treasurer and the Head of Finance. Member approval may be required.
- 10.5 The Regulations will be reviewed by the Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance annually and by Members at least every three years. Minor changes will be made to these Regulations to reflect new risk or changing circumstances with the agreement of the Chief Fire Officer and Chief Executive, the Treasurer and Head of Finance.

Roles and Responsibilities

- 10.6 The respective roles and responsibilities, in relation to financial matters, of the Authority, the Chief Fire Officer and Chief Executive, the Head of Finance, the Treasurer, the Monitoring Officer, Directors and Heads of Departments are contained in the table which forms Appendix 1.
- 10.7 Members approve the revenue budget, the council tax precept, the annual capital programme and the statutory accounts, and receive quarterly reports on the Authority's budgetary position.
- 10.8 The Treasurer/Head of Finance regularly reports financial matters to the Authority's Service Management Team, (SMT), which is chaired by the Chief Fire Officer and Chief Executive, and which meets every month.

Revenue Budgets

Approval of the revenue budget

- 10.9 The revenue budget and council tax precept are approved by the Authority in February each year for the following financial year.

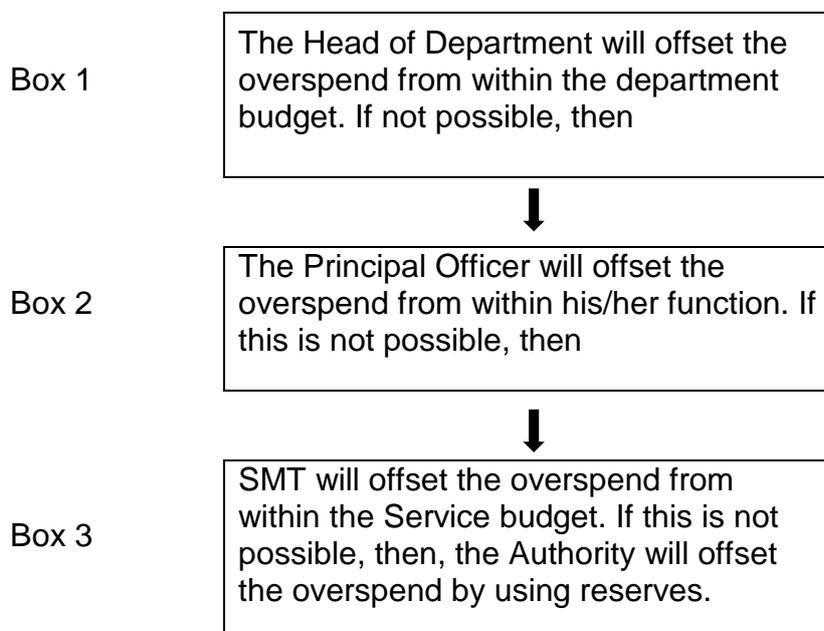

SECTION 10 – FINANCIAL REGULATIONS

Virement of revenue budgets

- 10.10 Virement is the transfer of budget in order to prevent overspends or to accommodate changes in activity.
- 10.11 If, in the opinion of the Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance any virement would result in a significant change to Authority policy it must be approved by the Authority.
- 10.12 Any virement of more than £50k must be approved by the Authority.
- 10.13 Any virement of less than £50k must be approved the Chief Fire Officer and Chief Executive.
- 10.14 Performance and Overview Committee receive quarterly financial reports which include temporary virements of revenue budgets. This enables the Authority to revise its budget in year as it goes along. All such virements are reversed at year end and any necessary changes to the base budget would form part of the formal budget approval agreed by the Authority.

Dealing with overspending of revenue budgets

- 10.15 All Heads of Department must regularly scrutinise their budgets and seek to avoid overspends wherever possible.
- 10.16 Where a revenue overspend is projected, the following process will apply. Where this process involves the virement of budget (in boxes 1 to 3 below), then the rules in paragraphs 10.12 and 10.13 will apply.

- 10.17 The treatment of any year end overspends and underspends will be determined by the Authority.

SECTION 10 – FINANCIAL REGULATIONS

Reserves

10.18 The Chief Fire Officer and Chief Executive, the Treasurer and the Head of Finance will advise the Authority on prudent levels of reserves.

10.19 The Authority holds two categories of reserves as set out by the Code of Practice on Local Authority Accounting:

- Usable - these are available to meet future expenditure demands. They consist of the General Fund and earmarked reserves.
- Unusable – these are prescribed in accounting regulations and do not impact directly upon the Medium Term Financial Plan, budget, or precept setting decisions.

10.20 The Authority will hold usable reserves for the following three main purposes:

- As a contingency to cushion the impact of unexpected events or emergencies (the General Fund);
- As a means of meeting known or predicted liabilities (earmarked reserves);
- As a means of smoothing expenditure as part of the medium term financial strategy (earmarked reserves).

10.21 The need for any new reserve and the movement on existing reserves will be reported to Performance and Overview Committee as part of the regular quarterly reporting process.

10.22 For each reserve the Authority will set out:

- The purpose of the reserve;
- How and when the reserve can be used;
- A process and timescale for review of the reserve to ensure its continuing relevance and adequacy.

10.23 The Treasurer will provide the Authority with an annual statement on the adequacy of reserves at the meeting at which the annual budget is approved.

- 10.25 Where a capital scheme is estimated to be overspent, if the overspend is estimated to be 10% or more than £100k, whichever is the lower (with a de minimus of £10k), then approval to fund the overspend must be sought from the Authority.
- 10.26 Where the overspend is estimated to be less than 10% and less than £100k, SMT will consider the overspend in the context of the overall programme, and if the overspend is unavoidable will either utilise the capital contingency, vire budget from an existing scheme or fund the overspend by contribution from the revenue budget or from reserves.
- 10.27 Income which is the result of disposing of an asset and which is greater than £10k will be considered as a capital receipt. All other income will be treated as revenue. Paragraph 10.44 deals with the procedure for disposing of assets.
- 10.28 The Chief Fire Officer and Chief Executive and the Treasurer or the Head of Finance may jointly increase the amount of the Capital Programme by a maximum of £100k per annum, providing that any increase is for a new scheme(s), and the Head of Finance is satisfied with the funding arrangements.
- 10.29 An increase approved by the Chief Fire Officer and Chief Executive and the Treasurer or the Head of Finance will be reported to Performance and Overview Committee at the earliest opportunity.
